# ***RETAKE DAY INFO***

## **MARK YOUR CALENDARS!**

### ***DO YOU NEED A RETAKE PICTURE?***

We'd love to take a new one, at no extra charge! Simply return your package to our photo team on retake day and we'll replace your original order items. (If no package is returned, a new image will be taken but no order will be placed.)

### ***ABSENTEES AND NEW STUDENTS/STAFF***

Don't miss out! Please plan to be photographed on this day so you may be included on your class composites and/or the yearbook. (No purchase necessary.)

### ***ORDERING FOR THE FIRST TIME?***

Our retake date is a proofing program, so online ordering will be available after retake day. Send your student to our retake camera and your child will receive a QR card that can be used for ordering. Additionally, we will send an email proof to each family if we have an email address. You can also preorder by turning in a paper order form with cash or check on retake day.

### ***IMPORTANT TIPS***

- (Elementary students) We recommend that you notify the teacher to ensure your student is sent down for photos.
- Please include a note with any specific changes the photographer should be made aware of.
