Liaisons/Partners

ALL SECTORS FILLED

COVID & CVS Sex Ed: We did it!

Biggest Accomplishments

Elementary

- Training occurred for staff in need (5th grade plus PE)
- Able to pivot to transfer HIV and maturation lessons to virtual as needed
- Just Around the Corner for Girls continued
- Communication and Support from Administration continues
- Added new elementary parents to the board

Biggest Accomplishments

Middle

- All training is current
- All curriculum/content is consistent
- Able to pivot to virtual as needed
- MiPHY in 2021 (7th grade)
- Communication and Support from Administration continues

Biggest Accomplishments

High School

- Curriculum aligned for all Health classes (including Mohegan and IAM)
- All training is current
- MiPHY in 2021 (9th and 11th grade)
- Communication and Support from Administration continues

Biggest Accomplishments

The Advisory Board

- Continued to meet virtually and adhere to the laws in Michigan around HIV and Sex Education for Public Schools
- All legally required sectors represented (woo hoo)
- Reviewing and staying on top of guidance from Michigan Department of Education regarding virtual learning
- New student members bring excitement and youth voice to the group
- NEW Faith Community Liaisons – we welcome Father Ron Victor from St. Isidore and Rev. McGarity from North Broadway Church of Christ

Exciting Things Ahead

- Ensuring that CVS Sex Ed programs are inclusive and current with our student needs and community standards.
- Using Community Survey and MiPHY data to drive material available to our teachers and families!
- Continue to meet parent needs by offering evening/weekend programming to support in home sex education conversations
 - Just Around the Corner (Parent and Child)
 - Raising a Sexually Healthy Child (Parent ONLY)
 - Sexually Explicit Materials (Parent ONLY)

Thank you!

Chippewa Valley Schools Sex Education and Communicable Disease Education program will strive to provide the most up to date and outcomes-oriented lessons for students in order to assist them in making the healthiest choices possible for their future.
