Brief description of agenda items and discussion

1. Revising Policy #7540.03 – Student Technology Acceptable Use and Safety  
Ms. Sarah Monnier-White (Dir., Technology) recommended some revisions and proposed changes to keep up with current technologies on district devices. Since 2021, when the district went 1:1, there have been many changes and this revision would allow the district to use multiple tools to keep up with current technologies.

A revision of Policy 37540.03 – Student Technology Use and Safety will be brought to the full board for adoption at the March 18, 2024, Board of Education meeting.

2. Revising Board Policy # 7250 – Commemoration and Naming of School Facilities.  
Superintendent Roberts discussed reviewing current district policy with sub-committee and discussed potential modifications to this policy which was last updated in 2015. By separating the policy into two parts, it would enable two different types of commemoration.

A motion for the adoption of a revised policy will be brought to the board for adoption at the March 19, 2024 meeting.

Meeting adjourned at **6:08 p.m.**

Respectfully Submitted,  
Ron Roberts
