**Mr. Roberts**

RECOMMENDED MOTION: “That the Chippewa Valley Schools Board of Education approve the Resolution for Chippewa Valley School District to observe October 2025 as Red Ribbon Month.”

RATIONALE: October is celebrated as Red Ribbon Month across America. Red Ribbon Month is an effort to raise national awareness of youth drug use. Chippewa Valley Schools recognizes the dangers to our students of tobacco, alcohol, and other drug use. The Chippewa Valley Coalition for Youth and Families, a coalition of school, parents, and community, and the Interfaith/Chippewa Valley Schools' Partnership, a coalition that links the school district with local churches, is working to support the drug prevention/education efforts of Chippewa Valley Schools. By approving the resolution, the Chippewa Valley Schools Board of Education is promoting school, parents, and community awareness of the issues of youth drug use and supporting school and community prevention efforts.

Chippewa Valley Schools  
**RED RIBBON/SUBSTANCE

- WHEREAS** October 2025 is "Red Ribbon Month", a national celebration to promote a drug-free America,
- WHEREAS** Chippewa Valley Schools recognizes that the combined efforts of parents, students, school, and community are needed to prevent alcohol, marijuana, vaping, and other drug use by our students,
- WHEREAS** the Chippewa Valley Coalition for Youth and Families, a school-community coalition, is working to promote safe, resilient and drug-free youth and prevent youth suicide,
- THEREFORE,  
BE IT RESOLVED** that October 2025 will be celebrated in Chippewa Valley Schools as "*Red Ribbon Month*". Red Ribbon Month will be dedicated to educating our students, staff, parents, and community about the dangers of youth use of alcohol, marijuana, vape products, and other drugs,
- BE IT FURTHER  
RESOLVED** that this resolution, having been adopted by the Chippewa Valley Board of Education on September 29, 2025, be announced to the public, and be made a permanent part of the records of the Chippewa Valley Board of Education.

**MEMORANDUM****G.3 Approve Purchase of ELA Materials****Dr. Brosky**

**RECOMMENDED MOTION:** “That the Chippewa Valley Schools Board of Education approve the purchase of additional K-5 ELA consumables from Amplify, totaling \$497,360.64, for use by the Educational Services and Grants Department.”

<b>TOTAL</b>	<b>\$ 497,360.64</b>

**RATIONALE:** Amplify is the sole source provider for Core Knowledge Language Arts (CKLA) curriculum, a comprehensive literacy curriculum program grounded in the science of reading. While the initial purchase for this school year has already been completed, additional materials are needed to support instruction during the Multi-tiered System of Support (MTSS) time.

During MTSS, teachers and paraeducators work with students on targeted reading skills using grade-level aligned readers. These materials vary by day, week, and unit depending on the grade level. To effectively support daily Tier 1 instruction, MTSS staff require access to these consumables.

The proposal has been reviewed and approved by the Educational Services, Grants and Purchasing Departments. Funding for this purchase will be provided through the Early Literacy Sec 35m grant.

Re: **Recommendation for Award of Bid Package No. 5.2526  
(Purchase of Walk-In Cooler/Freezer for Iroquois Middle School)**

Please review this recommendation for the award of Public Bid Package No. 5.2526. The award of this bid will provide a new walk-in cooler/freezer combo unit for Iroquois Middle School. Currently, Iroquois Middle School does not have a walk-in cooler/freezer. The addition of this unit will allow more food to be stored and prepared on-site, reducing reliance on Central Kitchen and improving overall food service efficiency at the school.

Aggressive bid solicitation efforts were made, including direct outreach to vendors and public posting on the State of Michigan's SIGMA website. All public bidding requirements were followed in accordance with applicable State of Michigan laws and Board of Education policies.

Four proposals were opened on September 15, 2025, based on bidding documents prepared by the Purchasing Department. The bid form requested pricing for the unit itself, along with voluntary alternates for installation, electrical work and an approved alternate unit. Two vendors proposed for the full scope of work, which was preferred for a turnkey solution. Of these, Stafford-Smith submitted a higher priced proposal.

Merchandise Equipment & Supply submitted pricing for both the requested unit and an alternate ICS model. While their base unit was lower than Stafford-Smith's, the ICS alternate was significantly more cost-effective. The ICS unit is a prefabricated "complete box" model, requiring only electrical hookup to the existing disconnect. The estimated cost for electrical work is approximately \$1,500, which is not included in the bid form.

Two additional vendors submitted proposals for the unit only, without installation or electrical work. While their pricing was reviewed, the lack of a complete turnkey solution did not meet the District's preferred scope of this project.

As the District has not previously worked with Merchandise Equipment & Supply, references were contacted from three other school districts. All reported positive experiences, noting the vendor's responsiveness and ease of communication.

In addition to the cooler/freezer installation, an opening will need to be cut into the existing exterior masonry wall to connect the new unit directly to the kitchen. Per Board policy, three quotes were obtained for this work, with an estimated cost of \$6,000.

**Cost Breakdown:**

ICS Model (cooler/freezer unit) - \$50,307.00

Electrical hookup (estimated) - \$ 1,500.00

Masonry wall opening - \$ 6,000.00

**Total Estimated Project Cost: \$57,807.00**

Merchandise Equipment & Supply is being recommended as the qualified low-cost bidder for the alternate ICS unit. The total cost of the project is \$57,807.00, with funding provided through the Food Service spenddown fund.

INTER-OFFICE MEMORANDUM**

To: Scott Sederlund Assistant Superintendent for Business and Operations

From: Lillian Grayson Purchasing and Risk Management Coordinator

CC: Tara Koch Director of Special Services

Date: Wednesday, September 24, 2025

Re: **Recommendation for Cooperative Furniture Award  
(Special Services Department Furniture)**

Please review this recommendation for the cooperative purchase of new office furniture for the Special Services Department through the OMNIA Partners purchasing group contract with Office Express, located in Troy, Michigan.

The furniture replacement was part of a broader renovation of the department, which included the installation of a new conference room, new carpet and fresh paint throughout the space. The existing furniture, which is over 20 years old, no longer meets the functional needs of the department and is due for an upgrade to support a more modern and efficient workspace.

As part of the refresh:

- Seven offices received new desks and storage units, with several also outfitted with small conference tables and chairs to support collaborative work.
- Three clerical workstations were redesigned with a more functional layout, removing upper cabinets to create a more open and accessible environment.
- Two conference rooms were furnished with large meeting tables, which will include power units, and additional storage cabinets to accommodate departmental meetings and team collaboration.
- The breakroom will receive a refreshed look through cost-effective relamination of existing counters, minimizing additional expenses while improving aesthetics.

This furniture upgrade will enhance the functionality, comfort, and appearance of the Special Services Department, supporting staff productivity and creating a more welcoming environment for internal and external stakeholders.

The total cost of the furniture project is \$80,325.22. Funding for this purchase will be provided through the 2018 Building & Site Fund.
