Administrative Reports

- Dr. Donald Brosky (Asst. Superintendent, Educational Services) provided an overview to the Board of Education of the Reading Journey preview which has been in the works for several years. More information will be provided at upcoming meetings. The goal is every student becomes an efficient reader across K-12.

- Superintendent, Dr. Adam Blanchard, provided the Board with an informational update on the 2026 Bond proposal and presentations given to staff, parents and community members so far, and discussed the upcoming community informational forums planned and with social media and other ways.

- Superintendent Blanchard emphasized the wonderful start to our new school year. He recognized teachers, administrators and support staff for the team effort to bring it all together to welcome students and parents back to the buildings. He indicated how our staff worked very hard over the summer to get the buildings and grounds set up and looking great for our returning students.
