Administrative Reports

- Superintendent Blanchard commented on the following:
 - Acknowledged Ms. Radyko's email regarding the curriculum that will be used for GSRP. We have met with Ms. Radyko and she has asked for materials. Our administrative team recognizes the importance of getting materials to the board in a timely fashion and by increasing the number of board meetings, we're hoping that this will help. We understand the board having the opportunity to review materials that they're approving for purchase. I appreciate the vote tonight on the materials and just know that we'll continue to partner and work with the Board of Education to get that information to you.
 - Recognized the ten-month employees have returned from break and are back in the buildings. So the buildings are abuzz and will continue until the teachers return.
 - You will notice activity all around the district, getting buildings ready and putting the finishing touches on buildings. Mr. Jeff Atkins and team are working to make sure things are on point for our students to return.

From the Community

- Public comments/audience participation

- Mr. Gura acknowledged the entire board did receive the information on the Bond. All Board members received a 175-page document regarding the Bond in June, the same document that went to the State of Michigan.
Mr. Gura indicated he will not be at next meeting and wishes everyone a safe and happy start of the year.

MOTION #08/11/26 - Moved by Member Gura and supported by Member Kuntz to adjourn the meeting. **Yes all, motion carried.**
