Graphic Design Adv 1/1D (1 hr)	9258	.50					

NOTE: Studies have found that the most successful high school graduates, 5 to 10 years out from graduation, were those who had taken a solid college prep program and a Career Tech Ed program while in high school. The Chippewa Valley Schools offer both such opportunities.

NOTE: The CTE courses listed here all have Articulation Agreements with local community colleges. Consequently, students may earn college credit while in high school.

+ needs teacher approval.

++ needs an application and teacher approval.
