

OurPact

The Essential App for Parents

Remotely manage your children's iOS or Android devices with OurPact Today! www.ourpact.com or through our iOS App to manage your children's Android and iOS devices today!

At-a-Touch
Blocking

Block or grant device access for defined periods, at any time.

Entire Family
Management

Manage up to 20 iOS or Android child devices, individually.

Schedules

Set up schedules to automatically block access during bedtime or school hours.

App Lists

View and individually manage a list of all installed apps on your child's device.

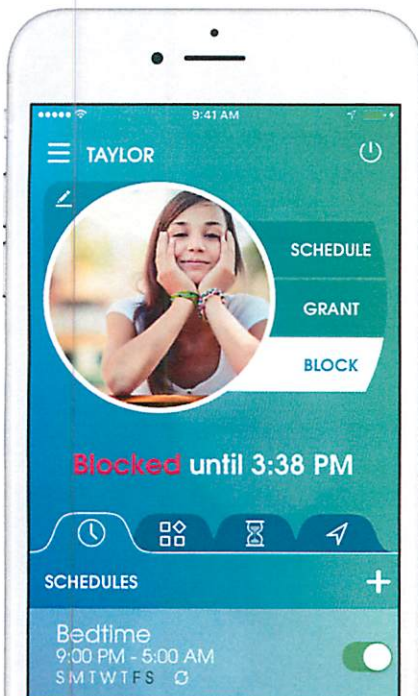

Family Locator

Save time coordinating pickups (and peace of mind!) with a child locator.

Allowance

View and individually manage a list of all installed apps on your child's device.
