I also understand that if it is determined the driving privilege has been abused, his/her driving permit will be revoked by the school administration.

In connection with this request, I consent to the unlocking, opening, and inspecting of the automobile and its contents while on school premises, based on the reasonable suspicion of a school administrator that the vehicle or its contents may violate the law or school rules.

SCHOOL DRIVING AND PARKING REGULATIONS

1. All motor vehicles on school grounds must be registered with the school and must display a current parking permit on rear view mirror with the numbers facing outward. Please register **all** vehicles in the household that may be driven to school.
2. If your parking permit is lost or stolen report it immediately to the office. AFTER A WAITING PERIOD, a new parking permit may be available at the replacement cost of \$10.00.
3. Students may not loiter in their cars at any time. Students may not go to their cars during school time without written permission from a school administrator. Students **must** park in their designated lot. Students **are not** allowed to park in any staff lot. Violation of these regulations may result in revocation of parking privileges.
4. Student's vehicles may be subject to search if there is "reasonable suspicion" to suspect drugs, tobacco, alcohol, weapons, stolen property or other contraband that may be present in the vehicle.
5. The Clinton Township Ordinance (no parking ordinance) and the school parking regulations, parking within the lines, observing a 5 MPH speed limit, cooperate with security guard(s), safe and courteous driving at all times and observing posted signs, will be strictly enforced. Suspension or total loss of driving privileges, ticketing or towing of vehicles and/or suspension from school may result when violation of these regulations occur.
6. Students who find it necessary to leave school early, in case of an emergency, must have an "Early Dismissal Pass" from the Attendance Office to leave any lot before their assigned time. ETA, CO-OP and Dual Enrollment students must provide proper identification of their enrollment in the class and show it to the security guard upon departure.
7. **Leaving Campus for lunch is strictly forbidden.** Permanent loss of parking privileges may result.
8. Students park at their own risk. The school will not be responsible for vandalism, damage, or theft. For your protection doors and windows **MUST** be locked while vehicle is on school property.
9. If a student's attendance is affected with either excessive absences or tardies in their first hour class, because of driving to school, their parking permit may either be suspended or revoked.
10. All school and library fees and fines must be PAID IN FULL before a parking permit can be purchased.
11. **SHARING OR SELLING OF TAGS TO OTHERS MAY RESULT IN LOSS OF PRIVILEGES – NO REFUNDS!**
12. Students who transport any students who are truant or violate the school code of conduct can lose driving privileges.
13. The district provides transportation between schools during the school day, therefore, students are prohibited from driving a vehicle between high schools unless permission is granted by building administrator or designee.

My son/daughter has my permission to drive. It is understood that a violation of any of the driving and parking regulations may result in the suspension or loss of this privilege. We have read and understand the school driving and parking regulations on this application and agree to abide by them.
