After School Credit Recovery 2026-2027

Tuition is $185.00 per half credit

After school credit recovery registration opens on Monday, September 14, 2026, and closes on Thursday, March 25, 2027. Students can enroll online anytime between September 14 and March 25. Students will have 12 weeks or until the end of the school year, whichever comes first, in which to complete their course. Extra time is granted on a case-by-case basis and students may purchase a 3-week extension through Community Education for $50.

Students will be working at a location of their choosing and at a time that suits their schedule. Students are expected to make regular progress in their course (at least 8% completion per week; approximately 4 hours of online work weekly) in order to finish all activities, including the cumulative final exam, by the course end date. **Students must visit a district credit recovery lab to take all unit tests and the cumulative final exam**.

Dakota credit recovery lab: open Tuesdays and Thursdays from 2:15-4:15pm

Chippewa Valley credit recovery lab: open Tuesdays and Thursdays from 2:15-4:15pm

Students work at their own pace and are able to access their course at any time. Students may complete their course in three months or less. Grades will be sent to high school counselors within 3 business days of course completion.

Registration takes place online through Adult and Community Education at: https://chippewavalleyschools.ce.eleyo.com/. If you need assistance, please contact the Community Education Office at 586-723-2050 or visit 50375 Card Rd., Macomb, 48044. New credit recovery student cohorts start every Monday. Students and parents will receive course access information on the Monday following registration and payment.
