WHO ARE WE?

The Chippewa Valley Sequoiaettes Dance Team is a competitive dance team based out of the Chippewa Valley School District for all middle school students in 6th through 8th grade. The Sequoiaettes are a nationally ranked competitive dance team that competes state-wide and at a national level performing Pom, Kick, & Team Performance.

The Chippewa Valley Sequoiaettes are very involved with school events such as football half time performances & homecoming parades. They also volunteer for community service events.

This program is a great way to meet new friends, make great memories and to excel in your dance career. This is a prep team for both Dakota and Chippewa High School dance teams!
