

A Message from the Superintendent

Dear Friends,

As we welcome the start of a new school year, I want to take a moment to reflect on the remarkable progress and accomplishments we achieved together last year. Thanks to the dedication of our educators, the vision of our Board of Education, and the unwavering support of our families and community, our students continue to thrive at every stage of their educational journey.

Ron Roberts
Superintendent

From the moment a child steps into our schools as a kindergartner, to the day they graduate high school, they are supported by a caring, committed school community. We are proud to offer opportunities that meet the diverse needs and aspirations of all learners.

One of the most exciting areas of growth has been in our Career and Technical Education (CTE) programs. With a broad array of career pathways—including mechatronics and design, medical academy, business, IT/cybersecurity, construction trades, cabinet making, and culinary arts—our students are gaining hands-on experience and real-world skills that prepare them for both college and careers. This past year alone, our CTE students earned 847 industry-recognized certifications, excelled in state and national competitions, and completed internships that led directly to employment.

Beyond CTE, our students continue to shine in the fine and performing arts. Whether in concerts, gallery exhibitions, or stage productions, their creativity and talent have brought pride to our schools and joy to our community. Many received top honors in music, visual arts, and theater—a testament to their hard work and the excellence of our arts educators.

Academically, we are equally proud. This year, 413 CVS seniors earned a GPA of 3.5 or higher, a remarkable achievement that speaks to their perseverance and the strength of our instructional programs. None of this would be possible without our incredible teachers, support staff, and administrators, who dedicate themselves daily to the success and well-being of our students. I am also deeply grateful to our Board of Education for their steadfast leadership and to our community for always standing behind the value of public education.

Together, we are not only preparing students for graduation—we are preparing them for life.

Thank you for your continued partnership and support. I wish you and your family a wonderful start to the new school year.

Warm regards,
Ron Roberts
Superintendent

NOTICE OF NONDISCRIMINATION

It is the policy of Chippewa Valley Schools not to discriminate on the basis of race, color, sex (including but not limited to sexual orientation, gender identity), religion, national origin or ancestry, age, disability, height, weight, genetics, or marital status in its programs, services, activities, or employment. Inquiries related to nondiscrimination policies, questions, concerns or to file a complaint should be directed to: Civil Rights and Title IX Coordinator, Director of Human Resources, Chippewa Valley Schools, 19120 Cass Avenue, Clinton Township, MI 48038 Phone: 586-723-2090 Email: ablanchard@cvs.k12.mi.us / Nondiscrimination inquiries related to disability should be directed to: Section 504 Coordinator, Director of Special Services, (same address) Phone: 586-723-2180 Email: tkoch@cvs.k12.mi.us. Civil Rights and Title IX inquiries can also be directed to the Department of Civil Rights at (800)482-3604 or MDCRservicecenter@michigan.gov.

Parents Give High Marks to Chippewa Valley Experience

We asked parents of Chippewa Valley's most recent graduates to reflect on their family's experience—from elementary school through high school. The feedback was overwhelmingly positive, with parents giving strong ratings across key areas such as school safety, course variety, academic support, and communication.

Survey Highlights:

- **Overall Satisfaction:** 82% of parents gave their child's overall experience in Chippewa Valley Schools an A or B.
- **Course Variety:** 86% gave a 4 or 5 (on a 5-point scale) for the statement: "In high school, my child had the opportunity to take a variety of classes that met their interests and goals."
- **Academic Challenge:** 76% gave a 4 or 5 for the statement: "In high school, my child was academically challenged."
- **Progress Monitoring:** 88% agreed that tools like Parent Portal and Schoology Parent helped them monitor their child's academic progress.
- **Communication:** 82% of parents were pleased with the communication they received from their child's school and the district.
- **Technology Impact:** 76% agreed that having a school-issued laptop enhanced their child's educational experience.
- **Student Involvement:** 86% gave a 4 or 5 for the statement: "In high school, my child had access to a variety of clubs, sports, and other activities in which to participate."

These results offer valuable insights into what's working well and where we can continue to grow as a district. We thank our families for their honest feedback and ongoing support.
