

## A Message from the Superintendent

Dear Friends,

From the moment our kindergarten students enter school until the day they graduate, we are committed to their development and success. Our students enjoy state-of-the-art facilities, tech-enhanced classrooms, and comprehensive instruction. With our research-based elementary curriculum and more than 240 engaging high school courses, we provide a strong, challenging curriculum that ensures our students' success.

**Ron Roberts**  
Superintendent

At Chippewa Valley Schools, we prepare our students for the rigors of higher education and a 21st century work force that requires essential skills like communication, teamwork, critical thinking, collaboration, problem-solving, and the ability to confidently use technology.

We offer accelerated courses, advanced placement classes, Early College, dual enrollment, the International Academy of Macomb, and more than 15 award-winning Career and Technical Education (CTE) programs that launch our students into high-paying careers. Our acclaimed fine arts programs let students pursue their passions in art, photography, music, band, choir, theater, and more.

Our goal is to create productive, responsible, and caring students who develop a love of learning. And our mission is to inspire and empower learners to achieve a lifetime of success.

In this edition of the Vision newsletter, we salute the Class of 2022, one of our largest graduating classes to date, and those who graduated Summa Cum Laude (G.P.A. above 3.9). It is impressive that 184 of our high school seniors graduated with this designation while 468 of our high school seniors graduated with a G.P.A. of 3.5 and above. We are proud of the more than 1,300 young men and women and all that they have accomplished. We know they are going to do great things.

We are grateful for the commitment and involvement of our parents, community members, and local businesses. You all play a significant role in the success of our students. We are thankful for the parents that helped with homework and attended countless school events, our community members for supporting our teams and voting 'Yes' on critical school safety improvements, and our business community for supporting our schools and providing valuable internship opportunities for our students. None of this would be possible without your support.

I truly believe that one of our greatest assets is our close-knit school community. Our tremendous teachers, extraordinary support staff, caring administrators, and a dedicated board of education all create a warm and welcoming environment for our students and families.

We look forward to a great 2022-2023 school year filled with much success.

As always, it is an honor to serve as your superintendent.

# Sponsor A Seat AND LEAVE A LASTING MEMORY

The Chippewa Valley Educational Foundation is offering the opportunity to sponsor a seat in our high school auditoriums. With your donation, you will receive an engraved plate on the arm rest of a seat of your choice at Dakota or Chippewa Valley High School.

With a donation of \$200, you can honor a student, graduate, favorite teacher, retiree, family member or a company by permanently placing their name on a seat. Your gift will support the Fine Arts, as well as classroom grants and scholarships for the 15,000 students that attend Chippewa Valley Schools.
