

**Morning Lunch Count**

In order for there to be enough food to meet the needs of the lunch students, it's necessary for us to take 'day before' meal counts. Counts are taken in the classroom at the start of each school day for the following day's menu. Monday for Tuesday, Tuesday for Wednesday and so forth. Students arriving late should place their order in the main office before reporting to class. Students who haven't ordered run the risk of there not being enough food of choice.

**Please take the time to review the monthly menu with your child. Sending in a menu with the days' CIRCLED that your child wants to purchase lunch, is a great tool for helping them remember when to order.**
