## Camp Fury Returns!

This summer Girl Scouts entering grades 9-12 will join the ranks of those who ensure public safety in our communities. During this six-day, five-night experience, you'll train alongside firefighters, EMS workers, and law enforcement personnel to learn first aid and CPR, defense tactics, arrest techniques, physical fitness drills, and traffic stop procedures.

You'll meet women who are breaking down barriers and stereotypes in these male-dominated career fields. The hands-on activities promote the development of leadership skills, teamwork, respect, and self-confidence.
