Meeting Called to Order: Fran Pace – 7:03 PM

Thank you all for being here this year! We appreciate all of your support and volunteering this year, it really helped make a difference to our PTO and community!

Approval of Meeting Minutes: Kate Miller & Rachel Caramichel

Presidents Report (Fran Pace):

- Teacher Appreciation Week is complete!
- May 15th – Last day to spend teacher allocations
- May 30th – Field Day
- June – End of Year Celebration support

Treasurers Report

We ended up with a loss with the Carnival after a budget increase in our last meeting due to lower attendance than 2024.

There are still some end of year costs coming in for graduations, etc.

Still waiting on around \$10,000 in teacher allocations.

We will end the year very similar balance to what we started with, which is helpful to kick off the year before Walk for Funds begins. Will help us be able to buy grade level shirts and other beginning of the year items + district requirement of funds to begin the year.

Approval of Treasurers Report: Kaley DiCiccio & Kate Miller
