

Seneca Middle School Jaguar Jaunt 2026!

Fundraiser Start Date: **09/14/26**

We will soon be launching our fundraiser with Vertical Raise. Vertical Raise's streamline online platform allows us to digitally raise funds through email, text and social media.

We will not be asking students to bring contacts to school. Instead, your student will send you a link where parents can enter email addresses and numbers to text to possible supporters if they choose. These contacts are totally private, totally protected! Never sold or shared!

Through these mediums supporters can visit our fundraiser page and help support our cause. Vertical Raise has helped thousands of programs across the country, and with your help we can exceed our fundraising goal! The money raised will help support academic, athletic, and arts programs at Seneca Middle School!
