

Creating a Parent Account in Schoology

Already have a parent account set up and just need to log in? Visit app.schoology.com/login and use your established credentials to log in.

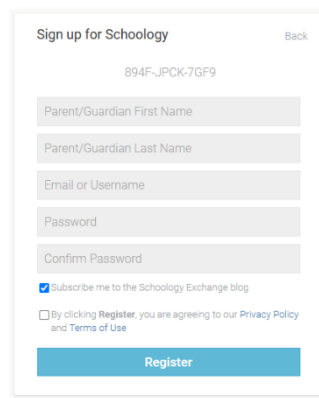

1. To create your parent account, first **visit** app.schoology.com/register to begin the process.
2. Click on **Parent**

3. Input the **access code** provided by your student's teacher.

4. Fill out the necessary information to register.

A screenshot of the 'Sign up for Schoology' page. It shows a registration form with fields for 'Parent/Guardian First Name', 'Parent/Guardian Last Name', 'Email or Username', 'Password', and 'Confirm Password'. There is a checkbox for 'Subscribe me to the Schoology Exchange blog' and a link to the 'Privacy Policy and Terms of Use'. A blue 'Register' button is at the bottom.

5. Once registered, you can click on your **profile name** in the top right corner of the Schoology screen to **toggle to your student's account**. That will allow you to view Schoology from your student's perspective.
