# How to log in on a computer or laptop

1. Go to ClassLink from the Student Links on the CVS website, or go to: https://launchpad.classlink.com/cvsmi

   - ClassLink works best in Google Chrome

2. Enter the student's username and password and click the sign in button or click on the QuickCard icon to use a QuickCard (K-1 and CLP students).

   - If you need assistance with your student's username and password, please contact their classroom teacher.

3. A message will prompt you to install an extension. School issued devices will have this extension automatically.

4. Select the desired program icon to begin working.

# How to log in on a tablet or other mobile device

1. If your student is using a smartphone, tablet, iPad, or other mobile device, you will need to install the "ClassLink LaunchPad" app.

   - Apple users: ClassLink LaunchPad mobile app

   - Android users: ClassLink LaunchPad App

2. Once you install the app, you can choose our district ("Chippewa Valley SD, MI") from the dropdown list and proceed to the login screen.

3. Enter the student's username and password and click the sign in button or click on the QuickCard icon to use a QuickCard (K-1 and CLP students).

   - If you need assistance with your student's username and password, please contact their classroom teacher.

4. Select the desired program icon to begin working.

   - **Note:** Some programs (i.e., Lexia and DreamBox) may require their apps to be installed as well.
